STAFF REPORT
CUP 25-05
Conditional Use Permit
Cumberland County, Virginia
Planning Commission Public Hearing

Application Information:

Property Owner: Cynthia Dabney and Osborne W. Carter, Jr.
Applicant: Cynthia Dabney
Requested Action: Conditional Use Permit to address lot issues
Tax Parcel Number: 99-A-22
Address: 713 Cooks Road, Farmville, Virginia 23901
Election District: 4
Existing Zoning: A-2
Proposed Zoning: A-2 with CUP
Size: 0.50 acres
Existing land uses: Residential
Comp. plan area: Stoddert Rural Crossroads
Overlay districts: None

Surrounding Area Information:

<u>Direction</u>	<u>Adjacent existing uses</u>	<u>Adjacent zoning</u>	<u>Adjacent Comp. Plan Area (2023)</u>
North	Agricultural	A-2	None
South	Agricultural/Residential	A-2	None
East	Agricultural/Residential	A-2	Stoddert Rural Crossroads
West	Agricultural/Residential	A-2	None

Background Information and Summary of Request:

The owners have a 1968 10'X48' manufactured home on the property, which has been there for many years. The structure has become a danger to the elderly residents and is no longer a safe and suitable structure. The applicant proposes to replace the existing structure with a new 14'X60' singlewide with two 4'X6' decks. However, since the lot is less than one acre, it is considered legal non-conforming, and staff is unable to approve a zoning permit administratively. Ultimately, the Zoning Ordinance, more specifically, section 74-786.b. states that pre-existing, non-conforming lots that fail to meet the width, area, setback, or frontage requirements may apply for a conditional use permit to address any lot

deficiencies. Therefore, the staff recommended that they go through the process of obtaining a CUP for lot deficiencies and setback relief.

Consistency with the 2023 Comprehensive Plan:

The Vision Statement of the Comprehensive Plan is “To ensure safety, opportunity, and prosperity for all residents while respecting and preserving the rural, historical, and agricultural heritage of Cumberland County.” This proposal will allow the continued use of this property in a way that is consistent with surrounding development and will ensure the continued safety of the residents there.

Consistency with the Zoning Ordinance:

Section 74-786 of the Zoning Ordinance states the grounds for granting a CUP for lot issues. It states, “Preexisting nonconforming lots, parcels, uses or structures that fail to meet the width, area, setback or frontage requirements of this chapter may apply for a conditional use permit to address any such deficiencies, provided the granting of the conditional use permit promotes good zoning practice and will not adversely affect the public health, safety and welfare. The fee for this conditional use permit shall be waived.”

Conclusion:

Staff believes the requested action is consistent with the recommendations of the Comprehensive Plan and the Zoning Ordinance.

Public Notification:

Notice was published in *The Farmville Herald* on March 4, 2026, and March 11, 2026.

Adjoining property owners were sent a notice for the public hearing via first-class mail on March 4, 2026. Public hearing notice was posted on the three bulletin boards in the Cumberland Administration building and added to the Public Hearings page of the Cumberland Website on the same day.

Staff Recommendation:

It is the opinion of the staff that the request promotes good zoning practice and allows the owners the ability to fully utilize their property.

Staff feels that the location and intended use of the property are consistent with the recommendations of the Zoning Ordinance and Comprehensive Plan. Therefore, staff recommends approval of CUP 25-05 with the following conditions:

1. The lot shall not be subdivided any further than it exists at the time of this CUP.
2. Setbacks for this parcel are:

Front:	75 feet from the centerline of SR 653, Cooks Road
Rear:	35 feet
West side yard:	14 feet
East side yard:	20 feet
Accessory:	5 feet
3. This CUP is granted indefinitely. However, if the underlying zoning is changed in the future to allow the same, similar, or greater development on the parcel than what is granted by this CUP,

it shall be rescinded at the initiation of the Zoning Administrator, with no further action required by the Planning Commission or Board of Supervisors.

Suggested Motion:

Mr. Chairman, because this request meets the intent and spirit of the Zoning Ordinance and Comprehensive Plan, I move that the Planning Commission recommend to the Board of Supervisors approval of CUP 25-05, a conditional use permit to address lot issues on Tx Map number 99-A-22, with the conditions recommended by staff.

Or

Mr. Chairman, because this request does not meet the intent and spirit of the Zoning Ordinance and Comprehensive Plan, I move that the Planning Commission recommend to the Board of Supervisors denial of CUP 25-05.

Zoning Ordinance – multi-family housing		There have been a handful or inquiries regarding tri-plex and quad-plex as a permitted use in the A-2 zoning district.
